DYING AND GRIEF THROUGHOUT
CANADA AND THE UNITED STATES.

Why Your Unique Personality Matters in Grief

**Do you ever wonder why people grieve differently from you?
Are you ever confused by yours or other people's response to grief?
Would you like a few tools that would help you understand why
your family members, friends or co-workers grieve differently?
Would you like to be able to communicate more effectively with
those who are grieving in the professional context?**
